Dairy Emergency Action Plan

A dairy emergency action plan template for farms to outline how workers should respond to fires, injuries, severe weather and other emergencies at the farm.

Farm / unit: _____ Date: _____ By: _____

Emergency contact list

Farm map and exits

Alarm and alert methods

Fire response steps

Injury response steps

Severe weather steps

Animal safety steps

Meeting point and roll call

Training and drill schedule

TIP Review the plan with all workers and run drills so everyone knows what to do.
