Dairy Farm Business Plan Template

A dairy farm business plan template for producers to describe the farm, market, production plans, finances and goals in a form a lender or partner can read.

Farm / unit: _____ Date: _____ By: _____

Farm description and history

Mission and goals

Herd and facilities summary

Milk marketing plan

Production and feed plan

Labor and management team

Financial summary

Risks and responses

Action steps and timeline

TIP Update the plan yearly and share it with your lender, adviser and family before major decisions.
