# Dairy Sheep Production Guide

A dairy sheep production guide for producers outlining basic steps in housing, feeding, breeding, lambing and milking ewes for milk products.

Farm / unit: _____ Date: _____ By: _____

1. Plan housing and fencing
2. Select breeds and ewes
3. Feed ewes by stage
4. Set up a breeding plan
5. Prepare for lambing
6. Raise lambs and plan weaning
7. Set up milking and sanitation routine
8. Monitor flock health
9. Keep records and talk to a veterinarian

**YOUR NOTES**

**TIP** Check your state rules for selling sheep milk and ask your veterinarian about local flock health issues.
