Pre-Milking Teat Prep Record

A pre-milking teat prep record for dairy farms to note which cows were prepped, the method used and any udder concerns seen before the milking units go on.

Farm / unit: _____ Date: _____ By: _____

Date	Milker	Group or string	Prep method	Teat concerns	Initials

TIP Fill in one row per milking and flag any cow with udder changes for follow-up by the herd manager.
