Equine Cushing’s Disease Monitoring Log

This printable Equine Cushing's Disease Monitoring Log helps horse owners and barn managers monitor a horse's signs related to Cushing's disease. Print a fresh copy as needed and keep completed pages with your other barn records.

Farm / unit: _____ Date: _____ By: _____

Date	Horse	Coat and shedding	Weight and muscle	Water and appetite	Vet notes

TIP Share this log with your veterinarian, who will decide on testing and treatment.
