Horse Nutrition Supplement Guide

This printable Horse Nutrition Supplement Guide helps horse owners and barn managers think through supplement choices for a horse. Print a fresh copy as needed and keep completed pages with your other barn records.

Farm / unit: _____ Date: _____ By: _____

1. Review diet first
2. Identify a goal
3. Ask your vet about need
4. Read the product label
5. Check feed contents
6. Start one product at a time
7. Watch for changes
8. Record cost and result
9. Review yearly as needed

YOUR NOTES

TIP Talk to your veterinarian or nutritionist first, since supplements may not suit every horse.
