Crop Insurance Decision Worksheet

A worksheet for comparing crop insurance choices before a signup deadline. Growers use it to line up farm history, risk concerns and coverage options to discuss with an agent.

Farm / unit: _____ Date: _____ By: _____

Crop and county _____

Production history on file _____

Risk you most worry about _____

Coverage types to consider _____

Coverage level to discuss _____

Expected premium cost _____

Cash reserves if a loss occurs _____

Questions for the agent _____

Decision and reasons _____

NOTES / CALCULATIONS

TIP Take it to a licensed crop insurance agent and ask for current rules and deadlines from the Risk Management Agency.
