Dairy Enterprise Budget Worksheet

A worksheet for budgeting a dairy enterprise from milk income through feed, labor and herd costs. Dairy owners use it to plan the year and review margins.

Farm / unit: _____ Date: _____ By: _____

Herd size and milking cows _____

Milk sold and expected price _____

Feed and forage costs _____

Veterinary and breeding costs _____

Labor and management _____

Milk hauling and marketing fees _____

Utilities, repairs and supplies _____

Interest and depreciation _____

Margin per hundredweight or cow _____

NOTES / CALCULATIONS

TIP Use your milk statements and feed invoices as the source for each line, then update when prices shift.
