Enterprise Budget Worksheet

A worksheet for listing the income and costs of one farm enterprise so you can see what it might earn. Useful for comparing crops or livestock groups before committing land, labor and money.

Farm / unit: _____ Date: _____ By: _____

Enterprise name and unit _____

Expected yield or output _____

Expected selling price _____

Seed, feed or purchased stock _____

Fertilizer, chemicals and supplies _____

Labor hours and hired help _____

Fuel, repairs and machinery use _____

Interest and overhead share _____

Net return to land and management _____

NOTES / CALCULATIONS

TIP Use your own records for each line and mark estimates clearly. Redo it each season as costs and prices change.
