Farm Balance Sheet Template

A section outline for a farm balance sheet listing what the business owns and owes on a given date. Used for loan applications, yearly reviews and tracking progress over time.

Farm / unit: _____ Date: _____ By: _____

Balance sheet date

Cash and bank accounts

Crops, feed and livestock held

Machinery and equipment

Land and buildings

Short-term bills and loans

Long-term debt and land loans

Accrued interest and taxes

Owner equity summary

TIP Use the same date each year and list market value and cost side by side. Have your lender review the format.
