Farm Business Continuity Plan Template

A business continuity plan template for farms, recording how operations would carry on after a disruption. Helps owners prepare people, records and contacts on the farm.

Farm / unit: _____ Date: _____ By: _____

Critical farm operations

Key people and backups

Emergency contact list

Access to records and passwords

Animal care during disruptions

Power, water and fuel backup

Customer and supplier notices

Insurance and lender contacts

Plan testing and update schedule

TIP Share the plan with the people who would carry it out and walk through it once a year.
