Farm Business Plan Presentation Template

A presentation template for sharing a farm business plan with lenders, partners or advisers. Sets out the order of slides or talking points so the story is clear and short.

Farm / unit: _____ Date: _____ By: _____

Farm name and opening story

Mission and goals

Products and market

Operations and team

Financial results so far

Projections and assumptions

Funding request and use

Risks and how you handle them

Next steps and questions

TIP Keep each point short and practice the talk aloud. Bring the full plan as a handout for questions.
