Farm Education Program Budget Template

A budget template for a farm education program such as tours, classes and workshops. Helps owners price programs and see whether they cover their costs.

Farm / unit: _____ Date: _____ By: _____

Program name and audience

Number of sessions and attendees

Fees and other income

Instructor and staff costs

Supplies and materials

Insurance and permits

Marketing and registration costs

Facility use cost share

Net income or cost

TIP Test the budget with a small pilot first, and check whether grants may help cover startup costs.
