Farm Investor Pitch Deck Template

A pitch outline for presenting a farm business to private investors, covering the idea, market, team and use of funds. Helps founders organize a short, clear presentation.

Farm / unit: _____ Date: _____ By: _____

The problem or opportunity

Your farm and product

Customers and market size sources

Business model and income

Team and farm experience

Traction and results to date

Funding sought and use

Risks and plans to manage them

Exit or return options to discuss

TIP Talk with an attorney before raising money from investors, since securities rules may apply. Check with your state regulator.
