Farm Irrigation Water Testing Record

A record of irrigation water tests, showing sample dates, sources and results. Helps growers watch water quality and show buyers what was done. Share it with partners, family or staff who help run the farm.

Farm / unit: _____ Date: _____ By: _____

Date sampled	Water source	Field served	Test type	Result	Action taken

TIP Use a certified lab and follow its sampling instructions, and ask your buyers or food safety program what testing they want.
