Farm Liability Waiver Template

A section outline for a liability waiver used by farms that host visitors. Gives owners a starting point to review with an attorney, and does not replace legal advice.

Farm / unit: _____ Date: _____ By: _____

Farm and visitor names

Activities covered by the waiver

Known risks of farm activity

Animal contact notice

Assumption of risk statement

Minor and guardian section

Medical and emergency notes

Photo release choices

Signatures and date signed

TIP Have an attorney review the wording against your state law, since waivers are treated differently from state to state.
