# Farm Manure Test Record

A record of manure test results, showing the source, sampling date and lab notes. Helps owners plan how to use manure on fields and keep good records.

Farm / unit: _____ Date: _____ By: _____

| Date sampled | Manure source | Storage type | Lab and method | Result notes | Field applied to |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

**TIP** Sample carefully, since manure varies a lot, and keep application records with your nutrient plan.
