Farm Parking & Traffic Flow Plan

A plan template for farm parking and traffic flow, helping owners set up safe entrances, lots and pedestrian routes for visitors and deliveries. Review it each year and update it as the farm changes.

Farm / unit: _____ Date: _____ By: _____

Site map and entrance points

Expected vehicle volume

Parking areas and surfaces

Overflow and weather plan

Entry and exit traffic flow

Pedestrian walkways and crossings

Accessible parking spaces

Staff and signage for traffic

Emergency vehicle access

Neighbor and road safety notes

TIP Walk and drive the plan on a busy day and check local road and driveway rules with the county.
