Farm Partnership Agreement Template

A section outline for a farm partnership agreement, listing the terms partners usually settle in writing. Helps avoid disputes by recording who contributes and decides what.

Farm / unit: _____ Date: _____ By: _____

Partner names and farm description

Purpose and length of partnership

Capital and asset contributions

Labor and management roles

Sharing of profits and losses

Decision making and voting

Withdrawals and buyouts

Dispute resolution steps

Ending the partnership

Signatures and date signed

TIP Have a licensed attorney draft or review the final agreement, since state law shapes what each term means.
