# Farm Produce Traceability Log

A traceability log for farm produce, linking each lot from field to buyer. Helps growers find the source of a problem quickly and show buyers what happened to a product.

Farm / unit: _____ Date: _____ By: _____

| Date harvested | Field or block | Product | Lot code | Customer or buyer | Date shipped |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

**TIP** Assign a lot code at harvest and write it on every box, so records match what leaves the farm.
