Farm Seed Inventory Tracker

A tracker for seed on hand, listing varieties, suppliers and where seed is stored. Helps growers plan planting, avoid over-ordering and track germination checks. Share it with partners, family or staff who help run the farm.

Farm / unit: _____ Date: _____ By: _____

Crop and variety	Supplier	Date received	Lot number	Storage place	Germination test

TIP Keep seed in cool, dry storage and test older seed before planting, following the supplier's guidance.
