# Farm Wool Inventory Sheet

An inventory worksheet for wool, covering fleeces, grades, storage and sales. Helps shepherds keep track of what was shorn and where it is going. Fill it in by hand or on screen and file it when finished.

Farm / unit: _____ Date: _____ By: _____

Flock or sheep source _____

Shearing date and shearer _____

Fleece or bale count _____

Grade or quality notes _____

Storage place and method _____

Buyer or processor _____

Sale or processing date _____

Amount sold or processed _____

Amount remaining in storage _____

**NOTES / CALCULATIONS**

**TIP** Store fleece dry and ventilated, and label each lot with its flock and shearing date.
