Lease Agreement Template for Farmland

A section outline for a farmland lease agreement, listing the terms landlord and tenant should settle in writing. Reduces misunderstandings between the two parties before planting.

Farm / unit: _____ Date: _____ By: _____

Landlord and tenant names

Land description and acres

Term of the lease

Rent and payment terms

Permitted uses and crops

Maintenance and improvements

Conservation and chemical use

Insurance and liability

Ending and renewal terms

Signatures and date signed

TIP Have a licensed attorney review the final draft and check your state rules on leases and notice periods.
