Livestock Enterprise Budget Template

A budget template for a livestock enterprise covering income from animals and the costs of feed, health and housing. Helps ranchers plan herd or flock decisions.

Farm / unit: _____ Date: _____ By: _____

Species and enterprise type

Number of animals

Sales and expected weights

Feed and pasture costs

Veterinary and health costs

Breeding or replacement costs

Labor, fuel and facilities

Interest and overhead

Return per head

TIP Record feed use from your own ration plan and update for pasture conditions. Ask your veterinarian about health cost planning.
