Livestock Mortality Insurance Guide

A guide to livestock mortality insurance, covering what it may cover, what to ask and which records to keep. Helps producers decide if it fits their operation.

Farm / unit: _____ Date: _____ By: _____

1. List animals of value to insure
2. Decide which causes of loss matter
3. Ask agents what each policy covers
4. Check exclusions and waiting periods
5. Learn the claim reporting steps
6. Record animal identification
7. Keep veterinary records
8. Compare cost against risk
9. Record your decision

YOUR NOTES

TIP Ask your veterinarian and a licensed agent which causes of death a policy covers and what proof a claim needs.
