Poultry Enterprise Budget Template

A budget template for a poultry enterprise, covering birds, feed, housing and sales. Suited to egg or meat flock owners planning a flock cycle for owners.

Farm / unit: _____ Date: _____ By: _____

Flock type and size

Chick or pullet purchase cost

Feed and forage costs

Bedding, heat and utilities

Health and biosecurity supplies

Labor and processing

Eggs or birds sold and price

Housing and equipment cost share

Net return per flock

TIP Track one flock from start to finish so the budget reflects a full cycle. Check your state rules on selling poultry products.
