Swine Enterprise Budget Worksheet

A worksheet for budgeting a swine enterprise, from pigs and feed through housing and marketing. Producers use it to plan groups and see margin per head.

Farm / unit: _____ Date: _____ By: _____

Operation type and pig numbers _____

Pig purchase or breeding cost _____

Feed cost per group _____

Veterinary and health costs _____

Labor and facility use _____

Manure handling and utilities _____

Marketing and hauling _____

Interest and overhead _____

Net return per pig _____

NOTES / CALCULATIONS

TIP Use your own feed conversion and death loss records instead of book averages. Ask your veterinarian about herd health costs.
