Whole-Farm Revenue Protection Worksheet

A worksheet for thinking through whole-farm revenue protection, which insures farm income rather than single crops. Helps diversified operations prepare for a talk with an agent.

Farm / unit: _____ Date: _____ By: _____

Farm name and years of tax records _____

Crops and livestock included _____

Income sources for the farm _____

Expenses and records on hand _____

Commodities with weak history _____

Questions about eligibility _____

Premium and cash budget _____

Agent contact and meeting date _____

Notes and decision _____

NOTES / CALCULATIONS

TIP Whole-farm plans depend on tax records, so gather them first. Ask an agent about current eligibility and rules.
