Beef Cattle Evacuation Plan

A beef cattle evacuation plan template for ranchers to list herd groups, pastures, trailers, destinations, identification, and records for moving cattle during fire or flood.

Farm / unit: _____ Date: _____ By: _____

Herd size and pastures

Priority groups for moving

Handling facilities available

Trailers and haulers

Destination and routes

Cattle identification

Feed and water plan

Records and papers

Contacts for officials

Return plan

TIP Keep brands, tags, and records current, and talk to neighbors about pooling trailers before an emergency.
