Farm Business Continuity Plan

A farm business continuity plan template for owners to outline how the operation keeps running through illness, disaster, or loss of key people, equipment, or records.

Farm / unit: _____ Date: _____ By: _____

Key people and backups

Critical tasks and systems

Contacts and vendors

Records and passwords stored

Backup equipment and sources

Financial and insurance information

Customer and buyer notices

Recovery priorities

Plan review notes

TIP Store a copy of the plan off the farm and share it with a trusted family member or advisor.
