# Farm Cutting & Grinding Safety Guide

A farm cutting and grinding safety guide with ordered steps for using grinders, saws, and torches with guards, eye protection, and secure workpieces.

Farm / unit: _____ Date: _____ By: _____

1. Read the tool's manual
2. Inspect wheels and blades
3. Keep guards in place
4. Wear eye and face protection
5. Wear hearing protection
6. Secure the workpiece
7. Keep sparks away from fuel
8. Stand to the side of the wheel
9. Disconnect power before changes

**YOUR NOTES**

**TIP** Use only wheels rated for the grinder's speed per the maker, and replace any cracked or damaged wheel.
