Farm Emergency Action Plan Template

A farm emergency action plan template that lays out who does what, where to meet, and how to call for help during fires, injuries, spills, or severe weather on the farm.

Farm / unit: _____ Date: _____ By: _____

Emergency coordinator and backup

Emergency phone numbers and farm address

Alarm or alert method

Evacuation routes and meeting point

Fire response steps

Medical emergency response steps

Severe weather response steps

Animal and fuel shutdown steps

Plan practice and review notes

TIP Give the farm address and directions to responders in writing, and practice the plan with all workers and family members.
