Farm Family Emergency Communication Plan

A farm family emergency communication plan template for families and workers to record contacts, meeting places, out-of-area contact, and check-in steps during an emergency.

Farm / unit: _____ Date: _____ By: _____

Family and worker names

Phone numbers and emails

Out of area contact

Meeting place near the farm

Meeting place outside the area

School and workplace contacts

Medical information

Check-in method

Plan practice notes

TIP Practice the plan, and give each family member a printed contact card to keep in a pocket or vehicle.
