Farm Pond Drowning Prevention Guide

A farm pond drowning prevention guide with ordered steps for fencing, supervising, teaching water rules, and preparing rescue tools around ponds and stock tanks.

Farm / unit: _____ Date: _____ By: _____

1. Fence or mark pond edges
2. Post clear warning signs
3. Teach children water rules
4. Supervise all water play
5. Keep a ring buoy ready
6. Wear life jackets on boats
7. Stay off ice unless confirmed safe
8. Never swim alone
9. Learn rescue steps without entering

YOUR NOTES

TIP Reach or throw rather than going in after someone, since panicked swimmers can pull rescuers under.
