Farm Return-to-Work Plan Template

A farm return-to-work plan template for owners and injured workers to set restrictions, light duty tasks, check-ins, and goals as the worker comes back to the farm.

Farm / unit: _____ Date: _____ By: _____

Worker and job information

Medical restrictions from provider

Light duty tasks available

Equipment changes needed

Schedule and check-ins

Communication contacts

Training or retraining

Progress notes

Full duty target and review

TIP Follow the restrictions from the worker's health care provider, and confirm legal rules with your insurer or state agency.
