Farm Safety Communication Plan

A farm safety communication plan template for owners to set how hazards, rules, alerts, and updates are shared with workers, family, and visitors across the operation.

Farm / unit: _____ Date: _____ By: _____

Safety messages to share

Audience and language needs

Daily and weekly methods

Posted signs and boards

Alert and emergency messages

Training and meetings

Visitor briefings

Feedback from workers

Review notes

TIP Use plain words, pictures, and workers' own languages so safety rules are understood by everyone.
