Farm Safety Improvement Plan Template

A farm safety improvement plan template for owners to turn audit and inspection findings into prioritized actions, owners, resources, and review points.

Farm / unit: _____ Date: _____ By: _____

Finding or problem

Why it matters

Action to take

Person responsible

Resources needed

Start and finish targets

Interim checkpoints

How success is judged

Review notes

TIP Prioritize the fixes that prevent the most serious injuries first, and review progress at each safety meeting.
