Farm Safety Plan Template

A farm safety plan template for owners and managers to outline hazards, responsibilities, training, and emergency steps in one written document that workers can read and follow.

Farm / unit: _____ Date: _____ By: _____

Purpose and scope of the plan

Farm owner and safety lead

Main hazards by work area

Required training for each job

Protective equipment expectations

Emergency contacts and procedures

Reporting injuries and near misses

Plan review and update schedule

TIP Review the finished plan with every worker, post a copy where people gather, and update it whenever equipment or crews change.
