Poultry Handling Safety Guide

A poultry handling safety guide with ordered steps for catching, carrying, and caring for birds while protecting both people and flocks from injury and illness.

Farm / unit: _____ Date: _____ By: _____

1. Plan the catch and set up a pen
2. Dim lights for calmer birds
3. Catch gently by legs or body
4. Support the body when carrying
5. Wear gloves and eye protection
6. Wear a mask in dusty houses
7. Wash hands after contact
8. Clean boots between houses
9. Report sick birds to your veterinarian

YOUR NOTES

TIP Follow your veterinarian's biosecurity advice, and wash hands and change clothes after handling birds.
