# Slow-Moving Vehicle Sign Guide

A slow-moving vehicle sign guide with ordered steps for choosing, mounting, cleaning, and replacing the emblem on tractors and implements so drivers see you from a distance.

Farm / unit: _____ Date: _____ By: _____

1. Know which equipment needs the sign
2. Use an approved emblem
3. Mount at the rear and centered
4. Keep it upright and visible
5. Clean off dirt and dust
6. Replace faded or cracked signs
7. Remove it when not on a road
8. Add lights and reflectors
9. Check state rules

**YOUR NOTES**

**TIP** Check your state rules on emblem use, and never put the sign on faster vehicles such as trucks.
