Emergency Feed Supply Plan

A template for an emergency feed supply plan. Livestock owners use it to prepare for storms, floods, fires or supply breaks that cut off feed.

Farm / unit: _____ Date: _____ By: _____

Animals and groups covered

Minimum feed supply to keep on hand

Safe storage location

Backup supplier contacts

Transport and delivery options

Neighbors or partners who can help

Local emergency office contacts

Plan review schedule

TIP Share the plan with family and farm staff, and update contacts at least once a year.
