Emergency Livestock Water Plan

A template for an emergency livestock water plan. Owners use it to prepare for power outages, drought, floods and equipment failures.

Farm / unit: _____ Date: _____ By: _____

Animals and water needs listed

Normal water sources

Backup sources identified

Hauling and storage options

Power backup for pumps

Contacts for help

Steps for contaminated water

Plan review dates

TIP Test your backup source before you need it and share the plan with everyone who helps.
