Feed Demonstration Plot Plan

A template for planning a feed demonstration plot such as a forage variety or crop test. Educators use it to lay out and document the demonstration.

Farm / unit: _____ Date: _____ By: _____

Plot purpose and audience

Location and field map

Crops or varieties planted

Seeding and fertility plan

Measurements and dates

Weed and pest management

Signage and visitor plan

Cooperators and contacts

TIP Work with your extension office, who can help design the plots and share the results.
