Feed Laboratory Submission Form

A form for submitting feed samples to a laboratory. Producers fill it in to tell the lab who sent the sample, what it is and what tests to run.

Farm / unit: _____ Date: _____ By: _____

Producer name and contact _____

Farm address or ID _____

Sample name and lot _____

Type of feed or forage _____

Date and method of sampling _____

Tests requested _____

Species fed _____

Payment and report delivery method _____

NOTES / CALCULATIONS

TIP Check the lab's current form and submission guide before sending, since every lab has its own requirements.
