Feed Nutrition Annual Summary

A template for a yearly summary of the feed and nutrition program. Owners use it to review what was fed, what it cost and what to change.

Farm / unit: _____ Date: _____ By: _____

Animal groups and numbers

Feeds used through the year

Total feed costs

Forage and grain tests summary

Performance results

Health issues linked to feed

Problems and lessons learned

Goals for next year

TIP Complete the summary soon after year end while records and memory are fresh.
