Feed Nutrition Software Comparison Guide

A guide to comparing feed nutrition software. Farm managers use it to list needs, test options and choose a program that fits.

Farm / unit: _____ Date: _____ By: _____

1. List species and groups you feed
2. List features you need
3. Note budget and support needs
4. Check for a trial or demo
5. Test with a real ration
6. Check feed library and updates
7. Ask other users about support
8. Decide with your nutritionist's input

YOUR NOTES

TIP Ask your nutritionist which programs they use so your data can be shared easily.
