Feed & Water Annual Summary

A yearly summary template that covers both feed and water on a livestock farm. Owners use it to record costs, supplies, tests and lessons.

Farm / unit: _____ Date: _____ By: _____

Animals and groups covered

Feed used and purchased

Feed cost summary

Forage and water test summary

Water system repairs and costs

Animal performance notes

Problems and lessons

Goals for next year

TIP Fill it in soon after year end and bring it to your next visit with your nutritionist or advisor.
