# FFA Agricultural Business Plan Template

Business plan template for an agricultural venture started by an FFA member, outlining the idea, market, operations, and finances so advisors and lenders can review the plan.

Farm / unit: _____ Date: _____ By: _____

## Business name and owner

## Description of the business

## Products or services

## Customers and market

## Competition

## Operations and location

## Marketing approach

## Management and helpers

## Financial plan and records

## Risks and backup ideas

**TIP** Ask a mentor or lender to review the plan, and confirm licensing and tax rules with the agencies.
