FFA | TEMPLATE

FFA Chapter Risk Management Plan

Risk management plan template for an FFA chapter to identify hazards, rate concerns, and assign actions, so advisors and officers can reduce risks before events and projects.

Farm / unit: _____ Date: _____ By: _____

Chapter name and activity

Hazards identified

Who could be affected

Steps to reduce each hazard

Person responsible for each step

Emergency contacts

Training or supervision needs

Insurance and school policy notes

Review date

TIP Review the plan with school administrators and ask your insurance provider or school district about coverage questions.
