FFA | TEMPLATE

FFA Community Garden Project Plan

Planning template for an FFA community garden project that outlines the site, partners, plants, tasks, and care schedule so students and neighbors can work together.

Farm / unit: _____ Date: _____ By: _____

Project name and chapter

Site and permission

Partners and neighbors

Goals for the garden

Plants and seeds to use

Tools and supplies

Task and helper list

Care and watering plan

Harvest and sharing plan

Safety and cleanup notes

TIP Test your site and check local rules with your extension office before you plant.
